MONTHLY SEARCHES	LEADS / MONTH	POTENTIAL REVENUE / MONTH
"dentist in Dallas"	with a properly optimized website	based on avg dentist job value

Before & After: What Changes

✗ RIGHT NOW

- Poor mobile experience — 60%+ of searches are on phones
- Potential customers leaving before they contact you
- Your 289 reviews and 4.9★ rating not leveraged online

✓ WITH A NEW WEBSITE

- Custom site optimized for "dentist in Dallas"
- Fast load speed (90+ performance score)
- SEO-optimized to rank on page 1 of Google
- Mobile-first design — looks perfect on every device
- Click-to-call, contact forms, and clear service pages
- Google reviews and ratings showcased on site
- SSL secured — trusted by browsers and customers
- Est. 18–40 new leads/month within 6–8 weeks

What You'll Gain

📈 **18–40 new leads per month** — From Google searches, Maps clicks, and organic traffic. Based on 5,500+ monthly searches for "dentist" in Dallas and a 4–6% website conversion rate.

💰 **$14,400+ in additional monthly revenue** — At ~$800 average job value, 18 new customers/month = $14,400/month in additional revenue.

🎯 **Page 1 Google ranking for local searches** — SEO delivers 19.9x return on investment vs 4.4x for paid ads. Unlike ads, organic rankings compound over time and don't stop when you stop spending.

📱 **88% of local mobile searchers call or visit within 24 hours** — A mobile-optimized site captures high-intent customers who are ready to buy right now. Your competitors are getting these calls today.

💪 **Competitive edge in Dallas** — You have 289 reviews and a 4.9★ rating — that's stronger than most dentists in Dallas. A professional website is the missing piece that turns those searches into calls.

⏱ **ROI within 2–3 months** — Within 2–3 months, the website pays for itself. After that, every new customer from Google is revenue you weren't getting before.
